

The Palms

Down through the city's streets the Lord Christ came.
Garments and flowers hid the road before Him.
Crowds thronged to greet Him calling His dear name,
Hailing....with waving palms, their gentle King.
Come join us now and chant His praise,
Loud let the echoes ring in adoration.

Refrain

*Hosanna, praise be to God,
Blessed is He Who has brought us salvation.*

His word goes forth and people by its might
Once more regain freedom from degradation.
Humanity doth give to each his right,
While those in darkness find restored the light.
Join all and sing, His name declare.
Let ev'ry voice resound with acclamation.

Refrain

Sing and rejoice, O blest Jerusalem.
Let all your children sing emancipation.
By love divine the God of Bethlehem
Crowneth our hope with faith, its diadem!
Come, join us now and chant His praise.
Loud let the echoes ring in adoration.
