- Healthy boundaries are a gift, especially for faith leaders. Those who serve and nurture others are guides giving shape to our relationships. In ministry and teaching, boundaries clarify who the pastor is and who the congregant is so that safe spaces and relationships are created. Ministers, consistory members, staff, and Sunday school teachers are expected to take this training, but anyone interested can attend.

- Potential topics include: Internet and technology use, social media, church finances, relationships (friendship, dating, sexuality, etc.), sexual misconduct, self-care, child protection, and policy writing.

- Facilitators will be Rev Greg Town and Rev Kendra VanHouten, who are trained facilitators in Boundary Awareness Training through FaithTrust Institute and are dedicated to creating spaces of learning and conversation to benefit all leaders in keeping our churches and our relationships safe and healthy.
